

Supplemental Form 1 - Waiver Request for Project Application Form
New Technology Incentive Grant Program (NTIG)
Texas Commission on Environmental Quality (TCEQ)
Texas Emissions Reduction Plan (TERP)

TCEQ may consider a request to waive one or more of the program requirements for **stationary sources and oil and gas facilities projects** based on a finding of good cause.

- TCEQ may waive the requirement that the applicant must have owned or leased the equipment for two years prior to the application on a case-by-case basis, with a showing of good cause. This situation may be where the ownership of the company has changed, the assets of the company have been purchased by another company, or the company has changed its name or incorporation status.
- TCEQ may waive the requirement that the equipment has been in continuous use over the past two years for short lapses in operation due to economic conditions, seasonal work, or other circumstances.
- The burden is on the applicant to demonstrate why there is good cause to grant the waiver request.

Applicants requesting a waiver to one or more of the program requirements must complete this form.

Good Cause Waiver of Ownership and Use Requirements

Please choose the waiver(s) that applies to the activity

Waiver for the Ownership Requirement: The applicant has not continuously owned or leased the equipment for the two years immediately preceding the application signature date.	
Waiver for the Usage Requirement: The equipment being replaced has not been operated continuously in Texas for the two years immediately preceding the application signature date.	

In the space below, please provide a detailed explanation showing good cause why the equipment being replaced does not meet the ownership and/or operation requirements.

By signing this document, the applicant is certifying that all information provided is complete and accurate.
